4-H COMPLETION YEAR PINS

4-H completion year pins are awarded to every 4-H member in the County who completes a 4-H project during the year and turns in a 4-H Member Achievement Plan and/or a record book. The pins are presented by years of completed 4-H projects, not by years of membership. A project is considered complete when a 4-H Member Achievement Plan and/or Record book is turned into the County Extension Office. Each member should complete at least one 4-H project during the year. Only one completion pin will be given per year to any one 4-H member.

RECORD BOOK AWARDS

Record Book Awards are made based on what is reported in the 4-H Record Book. Committees judge or evaluate project work and achievement, leadership, personal growth and development by reading the record books. Awards begin at the county level with ribbons. Juniors and intermediates continue to the District Level where ribbons and certificates are awarded. Seniors continue through District to State. County awards are presented at the Annual 4-H Awards Banquet to recognize members who have done a good job with their project on the basis of their complete 4-H Record Book. These are the highest awards that can be achieved in the county.

COUNTY ACHIEVEMENT RIBBONS

County ribbons are awarded to members who complete a 4-H Record Book at the junior, intermediate or senior levels.
