## *Walk Across Texas 2020 Review*

### MAKING PHYSICAL ACTIVITY YOUR 2020 VISION

It has been an honor to have you participate in the Walk Across Texas 2020 challenge sponsored event in Brazos County. Your participation led to another successful year of the fun and competitive physical activity program in Brazos County. A special thank you is due to the worksite and employee wellness sites that coordinated leagues and teams as well as their own internal challenges. Hats off to you all!

A lot has changed since the challenge kicked off on February 8th with the COVID-19 Pandemic and the necessity for social distancing. As you continue to be active, please be safe.

This year 288,435 miles were reported by 250 teams comprised of 1705 team members. A whopping 70% of the teams accumulated 833 miles or more. Well done! The dust has settled and the results are in!

Please note that the WAT Prize Patrol will deliver 1st thru 3rd place prizes, Most Inspirational (via technology), and Most Creative Team Name prizes later when we are in a safer environment to do so. Random draw awards and trivia awards may be picked up by the team captain or designee from the Brazos County Extension Office (2619 Highway 21 West Bryan, Texas 77803) once we are open to the public again. The league commissioner will need to collect the prize for out of area teams.

## Most Creative Team Name for 2020

Thought you said, "Extra  
Fries not exercise"

Team members: Jennifer Rau-Hug, Norma Madrigal, Monica Garza, Tracey Posey, Kristin Nace, Deborah Elbrich, Susan Billings from TAMU-Main Campus League

## Most Inspirational Award... Alex Diederich

Alex Diederich is nominated for the inspiration award. He is on Hike Across the Universe from the AgriLife Employee Wellness League. He was invited by Brian Hux because he is an arborist for the city of San Francisco, and is constantly outside for work. He is also an avid outdoorsman and a nature enthusiast. Having him on Hike Across the Universe (HAU) team inspired Brian to try to

get out and stay ahead of him, which he was able to do in the beginning. "For the first 6 weeks, I was ahead of him, but his steady pace eventually surpassed mine." says Brian. Alex was the first one on their team to hit 300 miles, which was impressive. Although Alex is in another state, we tried to keep the "Walk" in "Walk Across Texas" as the ultimate goal. Foot to pavement or boots on trails was the only way we logged miles. Brian reflects, "Knowing he was always behind me by 20 or 30 miles kept me motivated and racing ahead. I liked that we were purists and did not use the equivalency charts to calculate miles. We were really out there, walking and experiencing the outdoor elements in our own states." It was a fun journey Brian was thankful Alex was on their team.

*—Nominated by Brian Hux*

## Team Spotlight

While getting his miles in for the challenge, Kevin Hall (TTI- Austin) from the team The Slackers was walking his two golden retrievers Maggie and Lilly to/from the Austin Public Library (about 6 miles round trip). While cutting thru another neighborhood to get to the Library, another person was walking a blond golden retriever puppy. The very next day, the brother of the puppy encountered on the walk had become a part of Kevin's golden retriever brood. Charlie, the blond puppy in the picture, is now getting plenty of walking miles in thanks to Walk Across Texas and his two new siblings.

*Meet Kevin Hall of  
the Slackers*

*Thank you to our sponsors  
for their continued support!*
