OPERATION WALK ACROSS TEXAS

MISSION: POSSIBLE

Operation Walk Across Texas Mission: Possible 833 has come to a close. A whopping 181 teams reported 218,188 miles! More teams joined the Mission: Accomplished 833 Club. We congratulate 136 teams. Do the math, that's 75% of teams reporting at least 833 miles. We've checked a lot of boxes during this mission.

# MOST INSPIRATIONAL PERSON

## Evelyn Dorsey

### Herstory

There often is a misconception that older people can't be active. This is certainly not true for members of the United Rec Force who has five members over the age of 50. The leader of this pack, at the young age of 70 years, is Evelyn Dorsey. She is not only an inspiration to

everyone on the team but is also one of the most competitive. Don't be fooled into accepting a Fitbit challenge from her if you're not willing to get notifications that she's "on the move" at 11pm. She'll do what it takes to surpass the leader and takes the motto "In it to win it" to heart. A running joke amongst the team is when she tried and succeeded in beating Mark Haven in steps during one daily challenge. He was training for a marathon and she was logging steps. Her success was met with some very sore muscles the next day. That is her Evelyn will be one of the overall individual leaders in the Walk Across Texas campaign and her efforts should be met with admiration and inspiration. Everyone, regardless of age, should begin the journey toward physical wellbeing with the first one step. And someday, may you find yourself as healthy and vivacious as she.

# Meet the 2022 & 2023 Walk Across Texas Taskforce CHAIRPERSON

*Nickie Boutte*

Nickie is the Blinn Community Coalitions Coordinator with Brazos Valley Council on Alcohol and Substance Abuse

# Walk Across Texas 2022 Taskforce

## Members Needed

The Brazos County Walk Across Texas (WAT) Taskforce has met the last 24 years to plan an annual event. The taskforce is comprised of Texas A&M AgriLife Extension staff as advisors, a chairperson (and usually a co chair), a secretary, a treasurer, and members from various worksites, organizations, and agencies that care about community health and wellness.

The WAT Taskforce looks for ways to make the physical activity program fun and engaging. An annual t-shirt, a kickoff event, Amp it Up! events, and a celebration event are planned and implemented. Sponsors and donors are sought after to help meet the annual goals of the challenge. If you would like to be a part of the 2022 WAT Taskforce, contact Flora Williams at [fewilliams@ag.tamu.edu](mailto:fewilliams@ag.tamu.edu). We meet six times once a month beginning in September.
