MOST INSPIRATIONAL PERSON

Rachel Rose
Tranformers

Rachel is an essential part of her Walk Across Texas team and the reason they participate in these events. In a job where her team sits all day, she understands that sometimes a walk is the only way to clear their minds and move their bodies. She firmly believes in the importance of physical and mental health, and her team has all seen the benefits of her efforts. She has a daughter named Ellie but still makes time to prioritize running/walking. Rachel is why this team exists, and they are all better off for her!

For The Informers, their team leader Rachel Rose is our biggest inspiration. She is their cheerleader, sending them encouraging messages and leading with a terrific example of enthusiasm.
