JULIO TORRES

The amount of energy, support, motivation, and encouragement we get from Julio daily is the fuel that keeps us going and striving to better ourselves in steps, health and exercise. Julio's

attitude and love of a challenge rallies us to always do no less than our best. We may not always be able to keep up with him, but we couldn't get where we are without him. Julio is the poster child for all the best qualities of a leader. He's taken 8 of us from disparate health, age and energy levels and put us together into a team that works together, constantly communicates with each other and challenges us to stay the course and dig deep to put out that one little extra minute, step, mile of effort. He guided 8 more to form a second team from our Center colleagues, friends, and family. One would be hard pressed to find a more kind, gentle and supportive person to be a friend and leader. I'm glad I'm on his Team because he is always on ours!
